
Russia offers discounts for LNG-powered vessels

2018/08/28 15:47 στην κατηγορία INTERNATIONAL

According to Rosmorport, w.e.f. August 15, 2018, LNG-powered tankers calling at Primorsk and Ust-Luga in the Gulf of Finland are entitled to a discount from the port dues collected by the regional Rosmorport branch.

Port dues for such vessels will be calculated using a 0.9 coefficient, which means a 10% discount.
