
CMA CGM launches new West Africa feeder service

2018/10/03 10:01 στην κατηγορία INTERNATIONAL

To ensure service continuity and accompany the needs of our customers for a premium feeder service to Central and South Range outports, CMA CGM introduces **Onne Feeder**, its 5th feeder service to West Africa.

Onne Feeder will connect with [EURAF 4](#) service at the transshipment hub of Kribi on fortnightly basis.

Effective October 8th, 2018, Onne Feeder will have the following features:

Fleet

Dedicated in-house feeder m/v KONRAD SCHULTE (1,740 TEU capacity)

Port coverage

Kribi-Port Gentil-Onne-Takoradi-Kribi

Transit times

From Valencia: 27 days to Onne, 24 days to Port Gentil and 33 days to Takoradi

From Antwerp: 30 days to Onne, 27 days to Port Gentil and 36 days to Takoradi

Connectivity and Transit times

With [EURAF 4](#) from Mediterranean ports

With [EURAF 5](#) and [EURAF 1](#) from North European ports.
